The Life Exhibition is an exciting, multi-media experience designed for primary school children which complements the current guidelines for Religious and Moral Education.

Using interactive tablets, graphics panels, quizzes, films, songs and a discussion cafe, *Life* helps children learn, in just over an hour, about the story of Jesus and his relevance today.

Complements RME lessons - the *Life exhibition* covers key outcomes of the Curriculum for Excellence.

No setting up involved - the exhibition will be placed in a local venue off-site by church volunteers.

Enhance the IT Skills of pupils - children get to use tablets and computer voting during their visit

Full support - a comprehensive Life Schools Pack will be given to you with lesson plans for before and after the visit.

Reliable - the exhibition has been developed along with education specialists to encourage children to question, challenge and form their own opinions on the story of Jesus.

The Life Exhibition

-what does it look like?

The Life Exhibition is split into 4 areas, each covering different themes about what Christians believe about Jesus.

Introduction

This area welcomes pupils and introduces the themes of the exhibition through a two minute DVD.

Pods

Pupils are given tablets and headphones and encouraged to explore various coloured pods with graphic panels, quizzes and interaction with group leaders. Each pod reflects different aspects of the life of Jesus - his historic and prophetic roots, his teachings and his miracles.

Life giver

Pupils get to watch a film covering the life of Jesus as well as the story of Easter.

Life Cafe

An area to relax with a drink and for time to take part in an interactive quiz, whilst reflecting on the experience of visiting the *Life Exhibition*.

Who's behind the Life exhibition?

The *Life exhibition* is a project run by Christian charity *Counties* in connection with local churches. Counties supports churches and schools with resources to make Christianity understandable and accessible in the 21st Century. Resources include the popular GSUS Live mobile unit for secondary school children, Key to Life, holiday clubs and camps as well as support for local Schools Workers.
